New Group Home and Auto Insurance Partner

LAS is pleased to introduce Cowan Insurance Group as our new program partner for Group Home and Auto Insurance. LAS continues to offer this cost-saving program to staff members and elected officials of all Ontario municipalities.

The enhanced program offering with Cowan replaces the home and auto insurance program LAS previously offered through HUB International. Whether or not you are currently insured with HUB, we encourage you to contact Cowan for a no obligation quotation.

LAS has partnered with Cowan because of their extensive experience in group home and auto insurance. Cowan is one of the largest independently owned insurance brokerages in Canada and have managed large employer groups and association programs for over 15 years.

Through this partnership LAS is able to leverage the buying power of all Ontario municipalities to achieve significant group discounts through the program's three approved insurance carriers. The end result is a lower cost for your personal insurance needs.

Another key benefit of the LAS program is that all program inquiries and quotations are handled through a dedicated program contact. Cowan will take the time to listen to you and will design customized insurance options that fit your needs.

Contact Cowan for a no obligation quote and start saving today:
