2018 PROVINCIAL ELECTION:

Municipal Priorities

- More **Affordable** municipal government.
- A greater **Local Say** in how services are delivered and funded.
- A greater **Local Share** for municipal infrastructure and services.

- Ontario's municipal roads could wrap around the planet 8 times. All of Ontario needs more funding for local infrastructure. Ask your provincial candidates how they will provide a greater #LocalShare for your community.

Ontario's municipal roads could wrap around the planet eight times.

- Municipal governments need provincial action to make services more affordable, provide a greater #LocalShare of funding for infrastructure & give communities a greater #LocalSay in how services are delivered.

2018 PROVINCIAL ELECTION:

Municipal Priorities

Municipal governments own most public infrastructure and deliver critical services that we all depend on every day. And they do it with the smallest share of tax dollars.

Ask your candidate what they would do to make municipal government stronger and more affordable.
