What Kingston Dispatch Sees

What Lindsay Dispatch Sees

Lindsay CACC

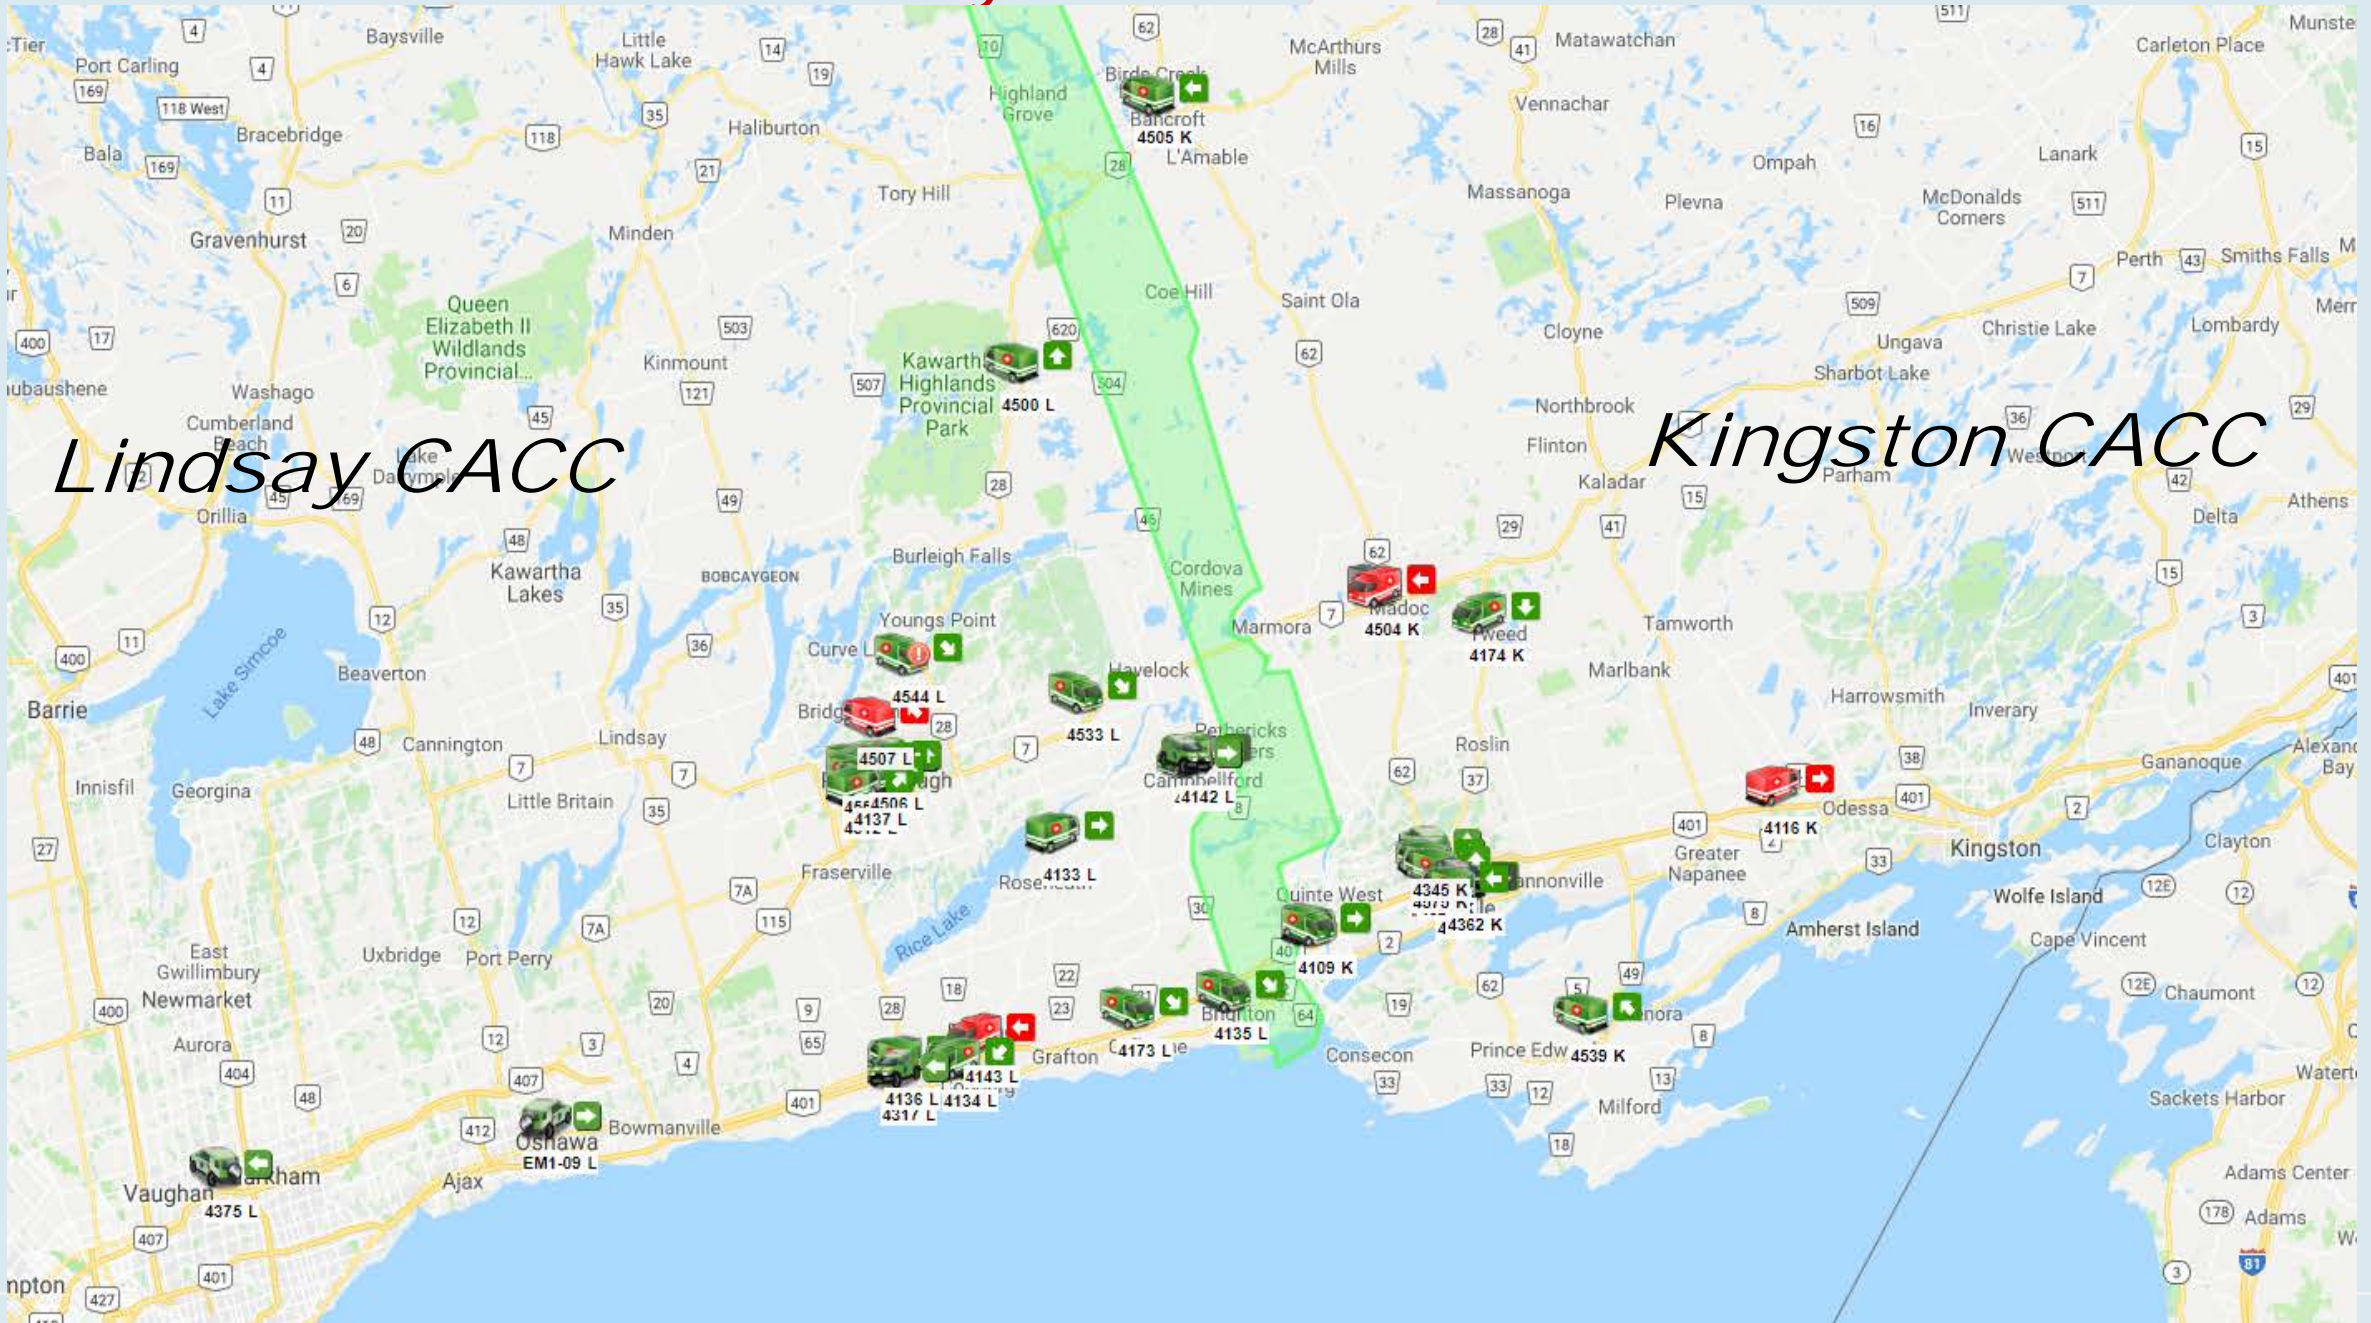

Goals of the Pilot

- Increase Situational Awareness.
 - Increase capacity to respond to emergencies.
 - Decrease Ambulance Communication Workload.
 - Decrease Duplication of Resources.
 - Decrease Cross Border Billing.
 - Decrease response times through increased capacity.
 - Decrease Costs.
-
- Help inform the MOHLTC for future roll out of dispatch technologies.

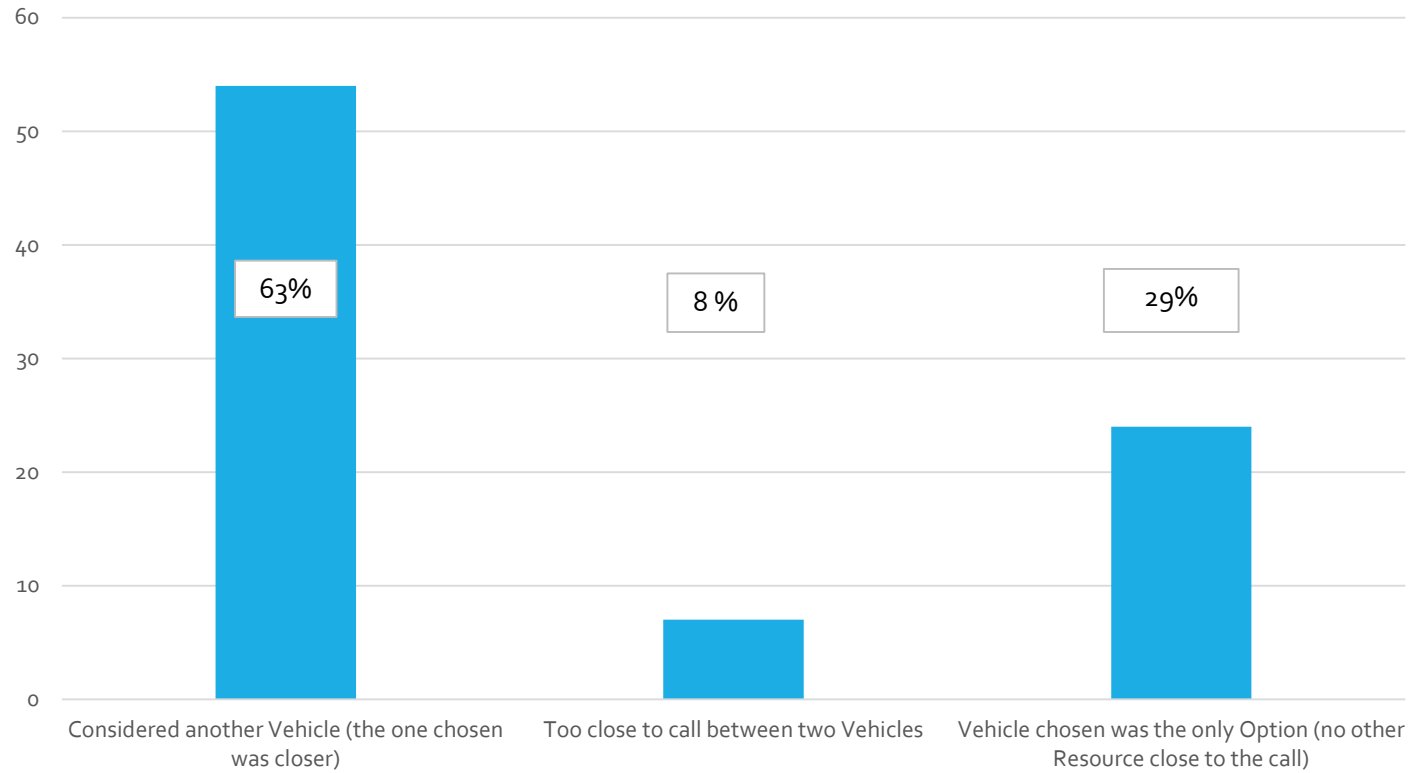

What Kingston Dispatch Sees

Pilot Project View

First 2 months of Data (n=85)

Future Steps

1. Continue with the project until the end of August.
2. Hosts Focus Groups with each Dispatch Centre to gain additional information.
3. Analyse the Data.
4. Prepare a final report summarizing the results of the pilot.
