Smart Cities: The Quest for Optimization

Energy Trends & Challenges

Battle over the
'Charging Point'

LED
Conversion

Sensors, Meters
and more

Creating the
'Master Plan'

Opportunities: Industry change is here

1

Proactively identify outages, malfunctions, disturbances or send signals for maintenance

2

Customer satisfaction and engagement amid 'technology conscious' customers

3

Asset monetization amid industry disruptions

Elements to Consider

Attributes for a Successful Journey

Amidst industry evolution and change...

**SPECIALIZATION and
FOCUS is valued**

EXPERIENCE

**New OPPORTUNITIES
continue to emerge**

INNOVATION

**PARTNERSHIPS are
essential**

COLLABORATION

Two thick, blue diagonal bars are positioned on the left side of the slide. The top bar is slightly higher and further to the left than the bottom bar, creating a sense of depth or a stylized 'E' shape. Both bars have rounded ends.
