

Investing In Canada Plan Canada-Ontario Infrastructure Bilateral Agreement 2018

Phase 2 Funding Profile

Note: The year-over-year profile of funds from the federal government is provided below. In the agreement, Ontario committed to providing \$10 billion and at least 33.33 per cent of funds for projects undertaken by municipalities as well as \$28.7 million to community, culture and recreation projects and \$1.063 billion to climate change mitigation projects.

AMO is awaiting confirmation of Ontario's new government's approach to funding roll-out. Once further information is available, AMO will notify members.
