

2018 AMO Gas Tax Awards

The AMO Gas Tax Awards celebrate projects that demonstrate excellence in the use of the federal Gas Tax Fund and honour the communities that administer them. Municipal governments of all sizes in Ontario are invited to apply.

Recipients will be recognized on the main stage of the 2018 AMO Annual Conference in Ottawa, profiled in an AMO news release, promoted through AMO's social media channels and featured in AMO's Gas Tax Annual Expenditure Report. AMO will also [produce a short video](#) in recipients' communities to highlight winning projects.

Fill out the form on the next page to apply for an award. AMO's Gas Tax Awards Committee will review your application and evaluate the extent to which your project:

- **Advances national objectives** – by boosting productivity and economic growth, promoting a cleaner environment, or strengthening your community;
- **Supports long-term planning** – by building capacity for planning and asset management, addressing long-term needs, or generating long-lasting benefits;
- **Addresses local needs** – by creating wide-ranging community benefits that meet the diverse needs of multiple residents and businesses; and
- **Leverages the Fund** – by combining federal Gas Tax funds with other sources of funding to achieve greater positive outcomes.

The Committee will select three winners. Winners will be notified by June 29, 2018.

Please submit your application to gastax@amo.on.ca by May 31, 2018.

2018 AMO Gas Tax Awards Application

1. Provide the title and a brief description of your project. Note that your project must be substantially complete.
2. How does your project boost productivity and economic growth, promote a cleaner environment, and/or build a stronger community?
3. How does your project build capacity for planning and asset management, address long-term needs, and/or generate long-lasting benefits?
4. How does your project create wide-ranging community benefits that meet the diverse needs of multiple residents and businesses?
5. What other information would you like to share with AMO about your project?
