

Attachment 2: Sample Resolution

Your Council's stated preference may not be the final determination of your transition date, nor are you obligated in any way by the date that is specified. The resolution will be used to map out an ideal transition timeline, and determine whether there are years that are over or under subscribed, as it has been dictated that a rolling total of up to one-third of Blue Box programs can transition each year. This information will also allow AMO and the Province to better understand whether there are conflicts. If there are too many conflicts, the Province may still need to retain a third-party expert to develop a methodology as to how municipal Blue Box programs will transition.

Resolution on Transition to Full Producer Responsibility

WHEREAS the amount of single-use plastics leaking into our lakes, rivers, waterways is a growing area of public concern;

WHEREAS reducing the waste we generate and reincorporating valuable resources from our waste stream into new goods can reduce GHGs significantly;

WHEREAS the transition to full producer responsibility for packaging, paper and paper products is a critical to reducing waste, improving recycling and driving better economic and environmental outcomes;

WHEREAS the move to a circular economy is a global movement, and that the transition of Blue Box programs would go a long way toward this outcome;

WHEREAS the Municipality of X is supportive of a timely, seamless and successful transition of Blue Box programs to full financial and operational responsibility by producers of packaging, paper and paper products;

AND WHEREAS the Association of Municipalities of Ontario has requested municipal governments with Blue Box programs to provide an indication of the best date to transition our Blue Box program to full producer responsibility;

THEREFORE BE IT RESOLVED:

THAT the Municipality of X would like to transition their Blue Box program to full producer responsibility [month] [date], [year] (between January 1, 2023 and December 31, 2025).

AND THAT this decision is based on the following rationale:

1. Insert rationale based on analysis of contracts, assets, integrated waste management system or other considerations (e.g., our collection contract for Blue Box material expires December 31, 2024 and our processing contract for Blue Box material also expires December 31, 2024.)

AND THAT the Municipality of X would be interested in providing collection services to Producers should we be able to arrive at mutually agreeable commercial terms.

AND FURTHER THAT any questions regarding this resolution can be directed to Jane Doe, City Manager at xxx-xxx-xxxx or jane.doe@municipalityx.ca

AND FURTHER THAT the resolution be forwarded to the Association of Municipalities of Ontario and the Ontario Ministry of the Environment, Conservation and Parks.
