

The background of the slide features a light green field with several thick, expressive black brushstrokes. These strokes are oriented diagonally, with some running from the top-left towards the bottom-right and others from the top-right towards the bottom-left, creating a dynamic, textured effect.

AMO Youth Fellows Networking Breakfast

August 2026

**Your community has youth who will
care about local government, like we do**

They are waiting for you to take a step
towards them.

And municipal elections present an
incredible opportunity to take that step

Canada's housing crisis is dragging life satisfaction down among young adults

A steep happiness gap has emerged between Canadians aged 20 to 34 and those over 65

Building with Nature: How Canadian Cities Can Adapt to Climate Change

As extreme weather events strain the limits of Canada's urban infrastructure, researchers
In this new article for The Conversation Canada, Future Cities Institute member Michael

Many of the
most pressing challenges
facing our generation require
municipal planning and
infrastructure **solutions.**

In these discussions about their
future, **when do you ask your**
young people what they think?

Consider your youth the
best market research
money cannot buy.

And your
next interview pool
to whom you will entrust
your work.

YOUTH **CRAVE** MUNICIPAL ISSUES

(Yes, really)

Your Local Government

**Policies shaping
the challenges
youth will inherit**

AMO Youth Fellow

"There's nothing to do here."

Invitation  **Participation**  **Belonging**

Young people already care about municipal issues.

Show them.

Invite them.

Empower them.

"There's nothing to do here."

There's a place for me here.
