INPUT/ACTION/RESPONSE/REQUEST

Day 2

Systems have not been restored, and the emergency continues for the municipal departments. 911 has been restored to normal operations and most departments are using the traditional analog systems from the past.

Today, many of the local media outlets have reached out for an interview.

Your team has identified the following media spokespersons for today's interviews.

Team 1

- Mayor
- 911 Dispatch centre manager
- Municipal CAO

Team 2

- Water treatment plan Director
- Fire Chief
- Public Works Director – Traffic

As a team get your media spokespersons prepared for a media interview.
