

MUNICIPAL REP DAY

**GRADE 5/6 CLASS
OTTAWA, ONTARIO**

PARTNERSHIP & CONNECTION

01 Supports Members & Community

Teachers and elected officials working together to support young people in their communities to get involved and become future leaders

02 Engage & Inspire

Working together to support young people in their communities to get involved and become future leaders

03 Materials & Activities

The program provides teachers with curriculum and activities ensuring that students have a base level understanding of the role of government prior to the elected officials visit

04 Humanize & Support

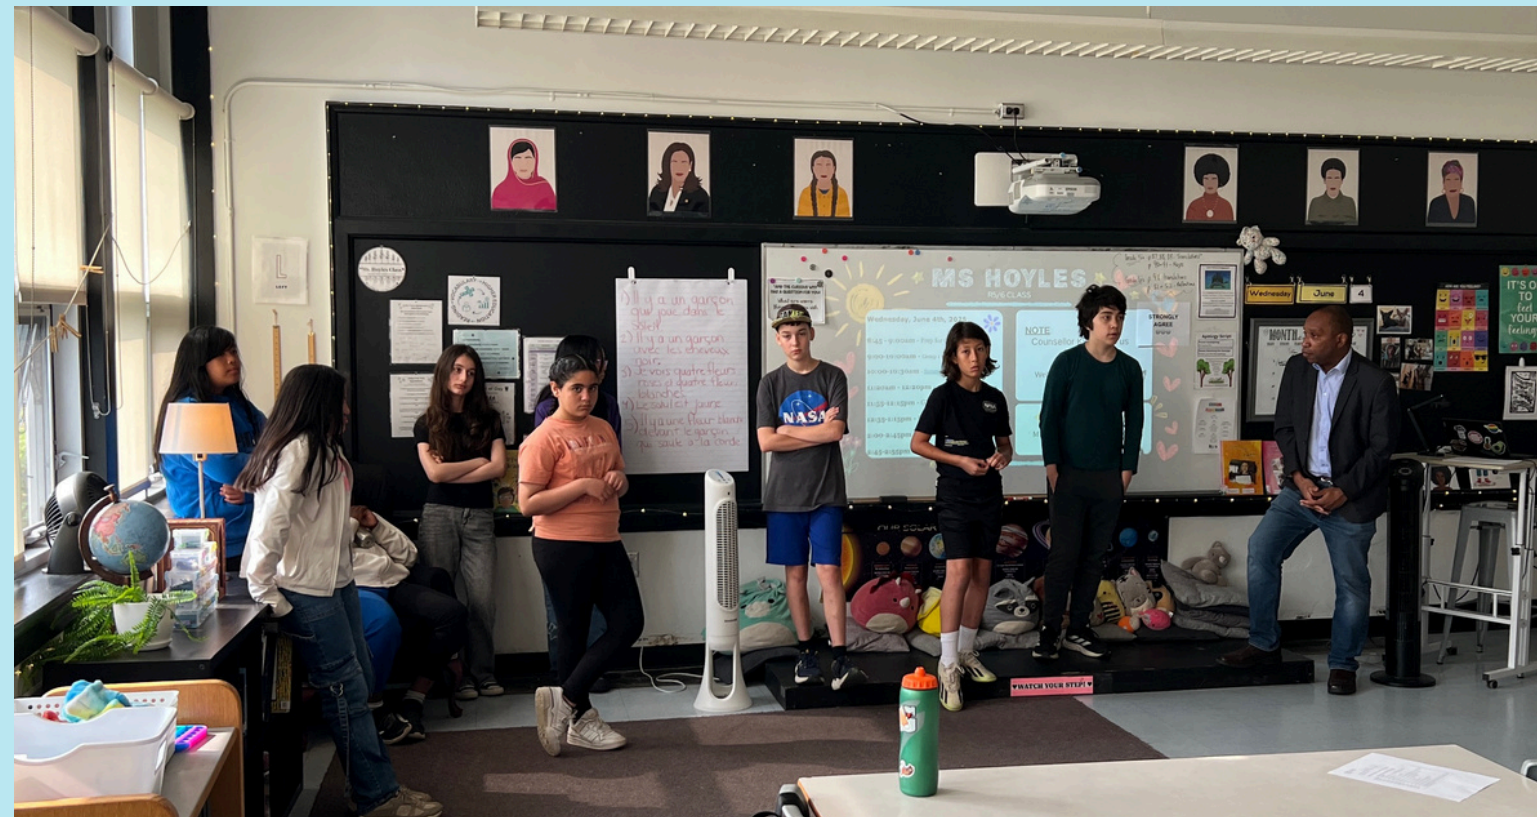

The connection between students and elected leaders creates a connection which helps humanize them. It supports the teaching of effective communication and it ensures young people feel heard and supported
